The hiring company Areas a representative of the French Elior Group with catering and travel catering worldwide. In Germany, the company takes over the operation of the restaurants in the facilities of the Center Park, including the newly opened holiday complex in the Allgäu. In the six restaurants, you will find not only regional classics, rich buffets and delicious snacks, Italian or Asian cuisine, but also an à la carte restaurant.

Located on the border between Bavaria and Baden-Württemberg in the south of Germany, the park in the Allgäu offers many leisure activities. Due to the proximity to the Alps, but also to Lake Constance and the neighbouring countries Austria and Switzerland, both leisure activities in nature and cultural highlights can be reached quickly.
